

History

We will be looking at the lives of some significant explorers. We will think about how people travel and the discoveries they made. We will look at similarities and differences between time periods. We will also ask relevant questions and look at a range of sources to find answers.

English

The children will be writing instructions about how to make a cardboard rocket. We will use imperative verbs and time conjunctions to sequence the instructions.
We will continue to apply our understanding of punctuation and spelling when writing a narrative based on the book 'The Man on the Moon'.

P.E

This term we will have 'Signature Sport' coaches to teach the children a range of P.E skills.

Science

We are going to observe and describe weather associated with the seasons and how day length varies.

RE –

We are thinking about how we celebrate our journey through life. We will look at Islam in Term 6. We will be looking at celebrations for special events such as births and weddings.

Year 1 – Term 6 Explorers

Music

Children will be using their voices expressively and creatively by singing songs and speaking chants and rhymes. We will be practising for our summer concert.

PSHE

This term we will focus on 'Changing Me'
-Life Cycles
-How they have changed since they were babies.
-The differences between girls and boy's bodies
-Coping with change

Maths

This term we will be looking at place value within 100. We will learn to tell the time to the hour and half past the hour. We will also be learning about money and solving problems involving money. Children will continue to practice addition and subtraction with 20.

DT

Children will be designing, making and evaluating rockets. Children will be exploring how they can make their rocket stronger, stiffer and more stable.

Computing / E-safety

Children we be learning to use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies.
Children will be learning about algorithms by instructing us to make a jam sandwich.
