

Reception Newsletter

Dear Parents/Carers

We would like to take this opportunity to welcome you to Glenfrome Primary.

This letter has some general information which we hope you will find useful.

Termly focus

Each term the classes will have learning experiences based on a particular focus or question. This term our research question is **'What is a family?'**

We are going to be looking at our families and how we have changed since we were a baby. If you have not done so already, please could you email a family photo and baby photograph of your child to glenfromep@bristol-schools.uk. Please add the name of your child's class (Willow or Cherry) as the subject.

Toys from home

Please can you make sure that your child does not bring any toys from home into school. We have found in the past that toys can get lost or broken and children can get very upset.

Tissues

As autumn is upon us we would really appreciate donations of boxes of tissues to see us through the sneezy seasons! Thank you.

Waterproof coats

As the weather starts to get colder, please make sure that your child has a named, warm and/or waterproof coat every day. If the day warms up they won't have to wear it, but at least it is there if needed.

Fruit and water

Children are offered fruit, water and milk daily. We have found that the children need a little more to keep them going throughout the day, so donations of plain breadsticks/rice cakes/plain crackers would also be gratefully received, thank you.

No nuts or sesame seeds please as we are a nut free school – this includes packed lunches

We encourage children to keep a water bottle in school, please bring one in and write your child's name on it. Water bottles will go home each day to be washed and refilled.

We ask that children bring **water only** in their water bottles.

Spare clothes

Please could you send in a named set of spare clothes for your child. We will keep these on their coat peg, just in case we ever need to change them.

PE and Forest School

We will be starting PE and Forest School in Term 2 (November). More details will follow nearer the time.

If you have any questions about any aspect of your child's time at school, please do not hesitate to email the school.
